**Terms and Conditions:**

- a) A License to Operate needs to be submitted by prospective suppliers as part of the technical requirements.
- b) The animals to be supplied by the Supplier must conform to all the veterinary health requirements and will be subjected to the existing quarantine rules and regulations of the National Veterinary Quarantine Services (NVQS), but not limited to the following:
  - 1. Selected animals to be imported must be tested within days prior to delivery at KSU and must be properly identified by the selectors' ear tags. The identification and origin of the animals must be properly indicated in the Health Certificate.
  - 2. The animals must be sprayed with insect repellent and tested for diseases indicated in the protocol. Only animals tested negative will be accepted.
  - 3. After due inquiry and to the best of the knowledge and belief of the signing veterinarian, the animals originate from farms that have had no reported outbreaks or clinical signs of diseases in the two (2) weeks prior to delivery.
  - 4. All animals shall be in good health and condition and free from physical defects that may affect breeding potential. The animals must be accompanied by Health Certificate issued by an authorized veterinarian.
- c) Transportation of animals. The Supplier shall provide a nutritionally adequate diet for the animals while in transit. The animals shall likewise be conditioned to this diet prior to departure. The animals shall also be provided with anti-stress nutritional supplements in their water while in transit. Further, the Supplier shall also bear the local travel risk insurance for the animals from the place of origin to KSU.
- d) The KSU reserves the right to accept or reject animals with tampered and/or lost Tag Schedules. It also KSU reserves the right to reject any animal which has injuries, shows signs of weakening after the delivery period.
- e) As part of the mortality rate, any animal breeder's death will be replaced under the warranty period depending on the cause of death of the animal as certified by KSU veterinarian, or the retention will be forfeited in favor of KSU.
- f) During or after the delivery, the Supplier shall submit the following requirements:
  - 1. Delivery Receipt
  - 2. Supplier's Sales Invoice
  - 3. List of the animals, pedigree certificates, health records from the point of origin, and other related documents as applicable
  - 4. Animal Insurance Policy in favor of KSU
  - 5. Certificate of Origin
  - 6. Negative Laboratory test for Small Ruminant Lentivirus, Blue Tongue, Brucellosis, if applicable.
