## SUPPLEMENTAL/BID BULLETIN (SBB) ADDENDUM NO. 01

This SBB Addendum No. 01 dated 11 January 2022, for the Project: "Procurement of Laboratory Apparatuses,

5 **Equipment and Chemicals**" is issued to clarify, modify or amend items in the Bidding Documents. Accordingly, 6 this shall form an integral part of said Documents (*Note: For this SBB and a better understanding of its contents, the* 7 following rules shall apply: (a) **Double Strike out** – denotes deletion, and (b) **Underline with yellow highlights** – implies 8 inclusion or new item/requirement)

9 10		FICULAF		CLARIFICATION / AMENDMENT				
10	<b>1.</b> C	On Section	on VII- Technical Specifications, page 22-29 of the	Bidding	Docun	nents, i	the following are the revised	
11	te	echnical	specifications:					
13	-							
14							Statement of Compliance	
15							[Bidders must state here either " <b>Comply</b> " or " <b>Not Comply</b> " against	
16							each of the individual parameters of	
17							each Specification stating the corre- sponding performance parameter of	
18							the Equipment offered. Statements	
19							of "Comply" or "Not Comply" must be supported by evidence in a Bid-	
20							ders Bid and cross-referenced to that	
21							evidence. Evidence shall be in the form of manufacturer's un-amended	
22							sales literature, unconditional state-	
23							ments of Specification and compli- ance issued by the manufacturer,	
24 25		ITEM	ITEM AND DESCRIPTION		QTY	UNIT	samples, independent test data etc.,	
26		NO			QII	UNIT	as appropriate. A statement that is not supported by evidence or is sub-	
27							sequently found to be contradicted	
28						by the evidence presented will ren- der the Bid under evaluation liable for		
29							rejection. A statement either in the	
30							Bidder's statement of compliance or the supporting evidence that is found	
31							to be false either during Bid evalua-
